

SCS Global Services does hereby certify that an independent audit has been completed and conformity to the applicable standard(s) has been confirmed for:

Sterling Site Access Solutions, LLC dba Sterling Structural

501 East 151st Street, Phoenix, Illinois 60426, United States

This single certificate covers the production of cross laminated timber (CLT) products using the physical separation and percentage based methods.

The facilities are hereby Chain of Custody certified to sell products as:
SFI Chain-Of-Custody Certified

Sterling Site Access Solutions, LLC dba Sterling Structural has been independently certified by SCS Global Services, an SFI® certification body accredited to perform SFI program audits that conform to the standard(s) listed below at the facilities listed on this certificate.

SFI Standard: SFI 2022, Section 4 (Chain of Custody)

Certificate Code: SCS-SFI-COC-100083

Valid from: 15/10/2025
(DD/MM/YYYY)

Expiry date: 14/10/2030
(DD/MM/YYYY)

A list or description of the products or services that are included in the scope of this certificate may be obtained from SCS on request, and/or is available at www.scsglobalservices.com. This certificate shall remain the property of SCS, and this certificate and all copies or reproductions of this certificate shall be returned to SCS immediately upon request. The SFI Logo on the certificate only refers to the certificate holder's conformance with the SFI certification scheme and does not provide the client organization with the right to use the SFI Logo.

A handwritten signature in black ink, likely belonging to Maggie Schwartz.
